ALMA MATER

"'NEATH THE ELMS"

'Neath the elms of our old Trinity,
'Neath the elms of our dear old Trinity,
 Oh it's seldom we'll meet,
 In the moonlight so sweet,
'Neath the elms of our old Trinity.

College days are from care and sorrow free,
And oft will we seek in memory
 Those days that are past,
 Far too joyous to last,
'Neath the elms of our old Trinity.

'Neath the elms of our old Trinity,
'Neath the elms of our dear old Trinity,
 No more shall we meet,
 Our classmates to greet,
'Neath the elms of our old Trinity.

TO THE CLASS OF 1959

The oft asked question "Why do I want to go to college?" must soon be answered. You are now beginning your college years. A great many of you know that you are here in order to prepare for a graduate work which will lead to a career in the law, medicine, engineering, the ministry, or other professions. Many of you are here to search and seek for the future which will bring your best aptitudes into full use.

Above all, though, whether you recognize it or not at this early stage you are preparing yourself for a position of leadership and all its attendant responsibilities. Education has the power to give you the understanding of peoples, culture, science, and history and to help you make wise decisions, based on full evidence. You will of course be well trained in the fundamentals of your business or profession, and it is this other less tangible training which is yours to take or leave as you go through your undergraduate years. We need most urgently men who understand all areas of knowledge and who can lead this world in more peaceful and productive ways.

Even today you are most fortunate young men to be able to go to college. As a Trinity graduate, I know you are going to find great pleasure, happiness, and reward in your four years here; you are going to make many new friendships which will be life long. Enjoy your years to the fullest.

We shall meet at various times during your Freshman year to discuss your work and your college program. But do not feel that you must wait for these regularly scheduled appointments. I shall be glad to see you at any time if you think I can be of help to you.

WILLIAM R. PELLE
Adviser to the Freshman Class

EMERGENCY INSTRUCTIONS

Fire

1. Warn occupants of building.
2. Turn in alarm. Alarm boxes are located in North and South Arches.
3. Notify Building Superintendent or Night Watchman. (North Arch when not on his round).

Illness

Resident students should report to Seabury 24, between 8:30 and 10:00 A.M., or 1:00 and 2:00 P.M. in case of illness or injury, where they will be seen by the Medical Director.

One of the aides in attendance will be found available in Seabury 25 to handle emergencies occurring at other times.

THE COLLEGE BUILDINGS

Trinity College (Called Washington College until 1845), was founded in 1823 upon the petition of "sundry inhabitants of the State of Connecticut, of the denomination of Christians called the Protestant Episcopal Church." Although Trinity College was founded by a church group, its charter was one of the first to state that the ordinances of the College "shall not make the religious tenets a condition of admission to any privilege in the said college." Thus Trinity was a leader in the fight for religious tolerance.

The first President of the College was the Rt. Rev. Thomas Church Brownell, Bishop of Connecticut. In the first year there were nine students.

Originally, the College buildings were located on the site now occupied by the State Capitol. The College was moved to its present location in 1878, when Jarvis Hall and Seabury Hall were completed.

During its 131 years, the College has had only fourteen presidents. Famous among these is Bishop Williams who served as President, Vice-Chancellor and Chancellor from 1848 to 1899. The longest term as President was that of Dr. Remsen B. Ogilby who was head of the College from 1920 until his death in 1943. The only living past president (1944-51) is G. Keith Funston, now President of the New York Stock Exchange. It is also interesting to note that President Jacobs is the third layman to be President of Trinity.

If you start at the Chapel and walk west, toward Summit Street, the first building you pass is the Williams Memorial. This building contains the offices of the President, Dean and Treasurer. On the second floor are the offices of Evening and Summer School, Public Relations, Central Services, and Property Manager.

Turning left in front of the entrance to the Old Library, you have first the seven sections of Jarvis Hall (1878), then Northam Towers (1881), and finally the sections of Seabury Hall (1878). Jarvis Hall contains the following offices: Secretary of Admissions, Adviser to the Freshman Class, Assistant to the President (Development), Director of Placement and Director of Alumni Relations. The remainder of Jarvis Hall and all of the Northam Towers are given over to suites of rooms for students. Seabury Hall contains a number of classrooms, the Post Office, the Union Bookstore, the Infirmary, faculty offices and a lounge for day students.

Continuing down the walk, you will find at the south end of the Quadrangle the Hamlin Dining Hall, Cook Lounge, and in the basement, the cafeteria and soda fountain. Upstairs are the Cook-A Dormitories and the College Guest Room.

Adjoining this building and forming the south side of the Quadrangle are Cook-B and Cook-C Dormitories, Woodward Dormitory and Lounge, and Goodwin Dormitory. The Chemistry Building, considered one of the best equipped in the country, adjoins Goodwin and includes the College Auditorium.

Passing through the Bancroft Arch which separates Goodwin Dormitory from the Chemistry Building, you will find in front of you Boardman Hall which contains the Museum of Natural History and the laboratories and classrooms of the Departments of Biology, Geology, Mathematics, Drawing and Psychology. To the right are the Freshmen Dormitories, The New Dorm (1953) and Elton Hall, built during the 125th Anniversary Development Program of the College.

To your left is Jarvis Laboratory in which are the classrooms and laboratories of the Physics Department.

Behind Jarvis Laboratory is the Hallden Engineering Laboratory, the gift of Karl W. Hallden of the Class of 1909. Recently the Laboratory was enlarged by an addition of two classrooms and more laboratory space.

Still farther to your left are the tennis courts and, in the southeast corner of the campus, Trowbridge Memorial. Trowbridge houses the swimming pool and the six championship squash courts. Adjoining the eastern end of Trowbridge is the new Field House which provides facilities for many indoor sports.

The college's new million dollar library, located adjacent to the Chemistry Building, houses Trinity's valuable collection, the scholarly 130,000 volume Watkinson Collection, and the R. O. T. C. offices.

Coming back through the Bancroft Arch across the campus towards the Chapel, you will find on your right the Mall, the statue of Bishop Brownell and the athletic fields.

The Chapel is one of the finest examples of Gothic architecture in the United States. The rose window, the stained glass window over the altar, the carvings, the Chapel of Perfect Friendship, and the Crypt Chapel are all worth careful study.

Beyond the Chapel towards Vernon Street is Alumni Hall, which contains the gymnasium for intramural sports and the office of the Veteran's Counselor.

At the corner of Vernon and Summit Streets is Ogilby Hall, a dormitory and dining hall. The fraternity houses, with one exception, are also located on Vernon Street.

HARTFORD

Capital and largest city of Connecticut, county seat and center of a chartered metropolitan district, Hartford is situated midway between New York and Boston. It is at the head of navigation on the Connecticut River, against which it is protected by dikes.

Started as a Dutch trading post in 1623, Hartford was founded in 1636 by Thomas Hooker and his followers from Massachusetts. The Fundamental Orders adopted by the Hartford Colony in 1639, the first instrument of its kind in modern history, was the model for the federal Constitution. The city was incorporated in 1784. Its present form of government, starting January 1, 1948, is council-manager.

In the evolution from an agricultural to an industrial economy, Hartford was the scene of the early experiments in interchangeability of parts that laid the foundations of modern American industry, and ultimately made the community a recognized center for precision manufacturing.

Concerning transportation, Hartford has 19 trains daily to New York, with minimum running time of just over two hours, and 8 trains to Boston.

American Airlines, using Bradley Field, has 6 flights south daily to New York and 5 flights east to Boston, while United Airlines has 3 daily flights in both directions between Hartford and Cleveland. Eastern Airlines, also using Bradley Field, offers 2 flights each north and south daily.

There is bus service to all nearby cities from Union Terminal at the railroad station.

Hartford has five broadcasting stations and two daily newspapers. Telephone service is supplied by the Southern New England Telephone Company. Western Union maintains three offices in the city proper with additional direct wire operated stations in nearby towns.

The city has 27 parks, aggregating 2,700 acres. Widely known is Elizabeth Park's Rose Garden. The city maintains two municipal golf courses of 27 and 18 holes respectively. There are six golf courses (private and commercial) in Metropolitan Hartford and three others close by.

GENERAL INFORMATION

The Placement Bureau

The office of Mr. Butler, Director of the Placement Bureau, is in Jarvis 2. The Director holds periodic interviews with the student throughout his college career to encourage him in thinking about possible choices of careers after graduation. A "Career Counseling" program is sponsored by this office. This program consists of a series of meetings for seniors and all undergraduates, with speakers from such fields as industry, insurance, advertising, merchandising, State Department, etc. The purpose of these meetings is to provide the students with information as to necessary qualifications, what may be expected in their chosen careers, and at the same time eliminate misinformation. These meetings are small and informal so as to provide a maximum of discussion. The Placement Bureau is in contact with many firms throughout the country and arranges recruiting visits by these companies to the campus.

Students interested in part-time or summer employment may register in the Placement Office. A number of part-time jobs are available on the campus, such as dining hall waiters, messengers, clerical office workers, and reference workers in the library, but upperclassmen have priority on these jobs. Some part-time jobs are available in the City of Hartford, and the Placement Office serves as a liaison agent between students and employers. However, it is believed that the average Freshman should not expect to take upon himself much in the way of employment, so as to maintain his studies satisfactorily.

Advisers

The Adviser to the Freshman Class is Mr. Peelle. His offices are in Jarvis 19. He supervises the fifteen-member faculty Freshman Advisory Council which acts as representative for the Class. Freshmen meet with their advisers in September to go over their courses of study, and during the year at regular intervals.

Upperclassmen are assigned to special Faculty advisers, usually to those who teach in the field in which the student is majoring. Dean Clarke is the general adviser to upperclassmen. The names of advisers are posted on the bulletin board on the North Archway.

Veterans' Counselor

Mr. Candelet is the Veterans' Counselor, and all inquiries regarding the Veterans' Administration and other veterans' problems should be handled through his office in Alumni Hall.

Matriculation

All students who have completed successfully their Christmas Term are made members of the College at a matriculation service at the beginning of the Trinity Term. Non-matriculated students may be permitted to matriculate at any time by vote of the faculty.

At the Matriculation service each student promises: "to observe the Statutes of TRINITY COLLEGE; to obey all its Rules and Regulations; to discharge faithfully all scholastic duties imposed upon me; and to maintain and defend all the rights, privileges, and immunities of the College, according to my station and degree in the same."

Each matriculated student signs his name in the College Register in the Library.

College Regulations

Upon registration, each new student is given a book of Trinity College Regulations. The Regulations contained therein pertain to Enrollment, Attendance, Conduct

of Students, Penalties, Grading, Degrees and Standing. It is expected that all members of the college community will abide by these Regulations.

The faculty supports the right of undergraduates to criticize openly, either as individuals or collectively, in speech or writing or print, the rules laid down for college government and also the acts and opinions of college officers and faculty members; such criticism being always subject to the canons of courtesy and good taste.

The Post Office

The Post Office is located in the basement of Middle Seabury. Students have access to their mailboxes at all times, but the office is open for sale of stamps, postal information, etc., only between 9:00 A. M. and 4:00 P. M. (Mondays through Fridays).

There are two incoming mails (8:30 A. M. and 2:30 P. M.), and there are four outgoing mails (9:00 A. M., 12 Noon, 5:00 P. M., and 7:00 P. M.). Outgoing mail deposited in the box outside the Post Office will be picked up three times daily (9:00 A.M., 5:00 P.M., and 7:00 P.M.).

The Union Bookstore

The Union Bookstore, operated by the College, is across the hall from the Post Office in the basement of Middle Seabury. It is open five days a week from 9:00 A. M. to 5:00 P. M. and Saturday morning from 9:00 A. M. to 11:30 A. M. The Bookstore carries texts for all courses. In addition, toiletries, stationery and classroom supplies, candy, smokers' supplies, and sporting goods are carried. The bookstore will cash student checks for a nominal fee.

Bulletins

Official notices are posted on the Bulletin Board to the right of Middle Jarvis. General notices are posted on the Bulletin Board to the left of the entrance of Middle Jarvis, the Bulletin Board in the north archway and at Cook dormitory archway.

The Library

The Library is open daily during term time Monday through Friday from 8:30 A. M. to 10:00 P. M. On Saturday it is open from 8:30 A. M. to 5:00 P. M., and on Sunday from 2 to 10 P. M.

PUBLICATIONS

The Tripod

THE TRIPOD is the college newspaper and is published weekly throughout the academic year. The subscription fee of \$4.00 is included with tuition costs.

Any student is eligible to compete for positions on the news, features, sports, advertising, or circulation staffs. Former newspaper experience is desirable but not necessary, and freshmen, especially, are urged to try out.

The present Editor-in-Chief is Paul P. Terry, the Managing Editor is E. Laird Mortimer, III. Either of these men may be seen in the TRIPOD offices in lower Woodward concerning staff positions.

The Review

THE REVIEW is the campus literary publication appearing four times a year. The purpose of THE REVIEW is to stimulate reading and writing among the undergraduates. The Board of Editors will consider all material submitted: poetry, short stories, essay articles, critical articles, humour, research articles, reviews of current books, recordings, plays, films, etc. Outside contributors are invited to write for the Review on occasion.

Nomination by the Editor-in-Chief, election by the Board, and at least two contributions published in the REVIEW are requirements for membership on the editorial board. A subscription is included in the tuition.

The present Editor-in-Chief is John Brims, who may be seen concerning contributions.

The Ivy

THE IVY, the college yearbook, is distributed free of charge to all undergraduates during the latter part of May. The IVY Staff is composed of members of the four classes and freshmen are encouraged to try out. The Editor and Managing Editor of the '56 IVY are Ned Montgomery and Henry Zachs.

MUSICAL ACTIVITIES

Varsity Glee Club and the Junior Varsity Club

"Voice trials for the Trinity College Varsity Glee Club are held at the beginning of the Fall season. Any member of the student body may try out. The usual procedure for entering Freshmen is to try out for the Junior Varsity Club during the first

week at college and if they are accepted their opportunity to join the Varsity Club is almost assured. The Varsity Club is limited in membership while the Junior Varsity is unlimited. Participation in the concerts of either club is determined by the member's attendance record and musical proficiency.

During the 1954-55 season, the Varsity club presented concerts with Vassar, Sweet Briar, and other girl's colleges, plus radio and television appearances, and a Spring Tour of the East including New York, Philadelphia, and Washington. A similar schedule is planned for this coming season.

Chapel Choir

Membership in the Chapel Choir is open to all undergraduates who successfully complete the voice trials and competitions held in September.

The functions of the Choir include the leading of congregational singing, and the development of music for liturgical use. The choir sings on Sunday at the services of Morning Prayer and Evening Vespers. Two rehearsals a week are required. Payment is based upon length of service. Professor Watters is director.

Several times a year the Choir joins with women's choruses from other colleges in special events. Last year it sang several out-of-town concerts and presented the Prospect Hill School chorus from New Haven and the Smith College Chamber Singers.

Intramural Sing

This contest is held yearly each spring between the various social organizations. It was started by Robert S. Morris, '16, in 1939, to promote group singing on campus. Thus far there have been six contests. Three wins claim the cup donated by Mr. Morris.

The Pipes

The Pipes of Trinity were first organized as a quartet in 1938 by four Trinity students. The group was enlarged into its present octet form in 1941. Although a relatively young organization, the Pipes have established for themselves an enviable reputation not only among their followers at Trinity, but with lovers of fine singing throughout New England.

The Pipes have appeared on television, radio; sung at many women's colleges and various clubs and charitable organizations throughout the state.

College Band

The College Band, organized as a student activity in 1947, appears at all major home athletic events and at many games away from home. A basic library of marches and a program of college songs comprise its repertoire. Several instruments have already been purchased by the college for the use of the band.

Membership in the Band is open to all students who play musical instruments. Prospective Band members are asked to contact Mr. C. H. Green, faculty director of the group.

RELIGIOUS CLUBS

The religious organizations of the various creeds are banded together in an Inter-faith Council for the discussion of religious problems facing the youth of today, and in particular, the students of Trinity College.

The Canterbury Club

The Canterbury Club is an active, chartered organization of students who are members of the Episcopal Church and affiliated branches of the Anglican Communion. The Club is committed to a definite program of worship, study, service, prayer, giving, and evangelism, through which it is hoped the spiritual life of the members will be increased and developed.

Newman Club

The Newman Club is an organization that fosters the religious and intellectual interests of the Roman Catholic students of Trinity. Father Robert L. Callahan of St. Thomas Seminary is the chaplain and adviser of the club. The Newman Club's activities include a lecture series, an annual retreat for activities, and social activities with St. Joseph's College. The president of the club is James Streeto.

The Hillel Foundation

The Hillel Foundation, for Jewish students, carries on a program designed to include the religious, cultural, and social aspects of college life. Guest speakers, debates, and dances are included in the year's program. Hillel is sponsored by the B'nai B'rith of Hartford, with Rabbi William Cohen of West Hartford its adviser. Leonard H. Wolin is the Foundation's president.

The Christian Association

The College Fellowship is a social and religious organization for Protestants of all denominations, providing a program of lectures and discussions, led by outstanding Hartford laymen and clergy. It is designed to provide fellowship for Protestant students, and to deepen their understanding of their common religious heritage.

HONOR SOCIETIES

Honor Fraternities

There are three Honor Fraternities at Trinity: Phi Beta Kappa, Pi Gamma Mu, and Sigma Pi Sigma.

The Trinity Chapter of Phi Beta Kappa, known as the Beta of Connecticut, is the eighth oldest in the country. The Chapter stipulates that persons elected to membership shall be men of honor, probity and learning. Election to Phi Beta Kappa is widely regarded as a mark of high distinction in scholarship.

The Trinity Chapter of Pi Gamma Mu, the national social science honor society, is known as Connecticut Alpha. Candidates must have an average of at least 87% in Social Sciences with diversification.

Sigma Pi Sigma is a national physics honor society. The object of the Society is to serve as a means of awarding distinction to students having high scholarship and promise of achievement in physics.

The Sophomore Dining Club

Organized in 1897, the Sophomore Dining Club acts as the official host for the College. It is its job to show around prospective freshmen and greet all visiting athletic teams. It is an honorary society chosen from members of the Sophomore Class.

Medusa

Medusa is the Senior Honorary Society at Trinity. To be tapped for Medusa is the greatest honor a Trinity undergraduate can attain.

The tapping ceremony takes place in the spring. All members of the Junior Class gather around the statue of Bishop Brownell, and the outgoing members tap those Juniors who have especially distinguished themselves during their first three years at college.

Medusa has the function of maintaining traditions at Trinity as well as discipline.

The present members are Robert Davis, Hugh Zimmerman, Donald Shelley, Ronald Warren, Richard Nissi, Ned Montgomery, Hank Williams.

OTHER CAMPUS ACTIVITIES

Radio Station WRTC

WRTC, Radio Trinity, supplies the college and surrounding area with music, news, sports, and features twelve hours a day, seven days a week, at 610 kilocycles on the standard broadcast band.

Established almost eight years ago and operated entirely by students, WRTC has a rapidly expanding music library having well over 25,000 selections, a United Press news teletype, and technical facilities and programming comparable to many of the better small commercial stations.

Anyone interested in announcing, engineering, news—or copywriting, advertising, music, or public relations is invited to stop in at WRTC's Cook-B studios for an interview with Station Manager Don Shelly ('56) or a representative of the department in which he is interested.

The Jesters

The dramatic organization at Trinity, The Jesters, is one of the College's oldest and most active clubs and has maintained and fostered the Dramatic Arts at Trinity with a high degree of interest and ability. In the coming year the Jesters plan to present two productions in Alumni Hall, where the group has constructed an arena-type stage which provides a novel approach for both participant and spectator. As during the past year, a complete freshman production is scheduled, and also the alliance with the radio station in putting on fifteen minute radio shows will be continued.

Admission to all the Jester's productions are free to all students and faculty members upon the presentation of their Athletic Card. The Jesters welcome all who would like to participate in any phase of play production. Mr. George E. Nichols, III, is director and faculty adviser.

Political Science Club

The Political Science Club, organized for the purpose of stimulating political awareness and activity on the Trinity campus, has a program planned for the current academic year which will stress intra and inter-group discussion, the importing of outside speakers, and the nucleus of the Trinity delegation to the Annual Intercollegiate Student Legislative session at the State Capitol.

Atheneum

The Atheneum Society, one of the oldest organizations at Trinity, debates current economic and political questions in intercollegiate and intra-club competition. At the present time the schedule includes debates with Amherst, Harvard, Wesleyan, Worcester Tech, and the University of Connecticut. Membership in this society is open to students of all classes who are interested in speech work. Prospective members should see the faculty adviser of the Atheneum Society, Mr. John Dando.

Trinity Cheerleaders' Association

The Trinity Cheerleaders' Association, comprising a squad of twelve men, leads college cheering at football and basketball games and is in charge of all pep rallies.

Cheerleaders are chosen from the undergraduates on a competitive basis by those cheerleaders who have completed at least one year of active membership in the association.

Engineering Club

The Trinity Engineering Club is organized to give the students majoring in engineering an opportunity to become better acquainted and to promote interest in the field of engineering, through the sponsoring of a series of lectures, the showing of motion pictures, and the organizing of field trips. Students majoring in engineering are automatically made members of the club. However, membership is open to all interested students on campus.

Chemistry Club

The Chemistry Club has featured a program including analysis of student papers, field trips to industrial plants, and visiting speakers. To interested undergraduates, the Chemistry Club also offers the opportunity to participate in a few of the national collegiate chemistry conferences. Trinity was represented at such an intercollegiate panel at Barnard College last spring.

Trinity Corinthian Yacht Club

Since 1938 the Trinity Corinthian Yacht Club has provided an excellent opportunity for sailing enthusiasts to compete with other colleges and universities in both fall and spring dinghy racing.

As a member of the Intercollegiate Yacht Racing Association, the club has been able to realize a broad scope of sailing competition.

The Cercle Francais

The Cercle Francais, founded in 1952, has as its purpose the encouragement of a working applicable knowledge of spoken French. Its meetings, featuring movies and guest speakers, are conducted entirely in French with the accent on fun and French.

The Aviation Club

The Trinity College Aviation Club was formed to provide an outlet for those students interested in aviation. Several licensed pilots are included in the organization's membership, whose faculty adviser is a member of the U. S. A. F. serving at Trinity. The club utilizes the facilities of Brainard Field in Hartford.

The Foreign Policy Association

The F. P. A., through debates, lectures, and conferences, has brought to the college a wider perspective and a more intelligent view of the problems facing this nation and the other nations of the world.

The Young Republicans and Young Democrats

In 1952, the presidential campaign year, these two organizations spark-plugged campus activity in the elections by posters and debates supporting one of the candidates. Both clubs took an active part in the local and national campaign. The highlight of the campus activity was a joint student-faculty debate sponsored by the two organizations.

The Campus Junior Chamber of Commerce

The Campus J. C.'s are under the sponsorship of the Hartford Junior Chamber of Commerce and are dedicated to the same high ideals of public service that are

the purpose of the Hartford J. C.'s. The student will find in this organization a closer tie with the community of Hartford as well as a close contact with business problems facing men who are just out of college — a contact which will provide him with excellent background material for future use.

FRATERNITIES

Interfraternity Council

The purpose of this Council which is composed of one undergraduate member of each fraternity is to promote amicable relationships among fraternities at Trinity, and to promote the standards expressed in the Fraternity Criteria promulgated by the National Interfraternity Conference.

RULES FOR RUSHING

Preamble

We, the undersigned Fraternities of Trinity College, do covenant and agree to adopt, obey and enforce the following rules concerning the rushing, pledging and initiating of new members from among the students who enter Trinity College as freshmen or transfers.

Rushing is approaching a non-fraternity man with the intention of influencing him to join a particular fraternity.

ARTICLE I

No member of the entering class at Trinity College shall become pledged to a fraternity, nor shall any agreement be entered into between such student and any fraternity which shall be construed as a binding pledge on the part of the student until the student be accepted as a pledge at the fraternity of his choice at the herein specified time.

ARTICLE II

No student shall be eligible for rushing, pledging or initiation into a fraternity unless he has attained an average grade of not less than 67.0 in the entire work of the previous semester.

ARTICLE III

Section 1: Rushing in any form by anyone connected in any manner with any fraternity shall be deferred until prospective associate enters his sophomore year. Transportation of freshmen shall be legal. There shall be, however, no social intercourse between upper-class fraternity members and freshmen in the greater Hartford area with the exception of the college campus proper and college sponsored functions. The term "social intercourse" includes movies, bars, restaurants, rooms of freshmen or upper-classmen for reasons other than college business or studies, etc. The Interfraternity Council must interpret rushing according to the spirit of this definition rather than by the letter.

Section 2: Rushing of sophomores shall be deferred until the first day of classes in September. Signing of sophomores for meals may begin the first day of registration at 9:00 A. M.

Section 3: Rushing and pledging of upper-class transfers may commence coincident with the dates specified for other upper-classmen, or at any date thereafter.

ARTICLE IV

Section 1: Initiation of pledges who are not transfers may take place at any time after their pledging.

Section 2: Initiation of transfer pledges may take place at any time after the beginning of their second semester at Trinity College provided they have attained the minimum average of 67.0.

ARTICLE V

Section 1: Rushing of upper-classmen shall commence on the first day of classes in September and terminate at 12:30 A. M. on the first Sunday thereafter. Communication between fraternity men and upper-classmen from 12:30 A. M. on Sunday until after the committee meeting on that Sunday shall be prohibited.

Section 2: Eligible rising sophomores shall not be permitted to visit fraternities previous to rush week.

Section 3: At no time during the rushing period shall any fraternity member, including alumni members, carry on off-campus rushing.

Section 4: At no time shall any freshmen enter any fraternity house or the quarters of any social organization aspiring to become a fraternity.

ARTICLE VI

Section 1: No eligible man shall accept more than four invitations to meals at any one fraternity house during the rushing period, and not more than two of these meals shall be each of the following: luncheon and dinner.

Section 2: During rushing, entertainment at the fraternity houses shall cease at 9:00 P. M. on weekdays and at 12:30 A. M. on Sunday. Fraternity men shall not visit with sophomores in the dormitories after these specified times during the rushing period.

Section 3: There shall be no pocket pledging, or indication given that a fraternity wishes to pledge the rushee before the appointed time.

Section 4: During the rushing period no liquor shall be consumed on the premises of any fraternity house. This eliminates consumption of liquor by fraternity men during the rushing hours. Beer and wine are permissible.

Section 5: Bids binding to the fraternity but not binding to the prospective pledge may be given at the Saturday party after 5:00 P. M. No pressure is to be exerted on the prospective pledge for an answer to the bid.

Section 6: Parties held the final night of the rushing period are to be considered closed parties in each fraternity. One man designated by each fraternity's I. F. C. representative will have the authority to enter any fraternity house for a brief period for the purpose of presenting a bid. A list of these representatives will be sent to each house president previous to the Saturday party.

Section 7: Between 9:00 A. M. and 12:00 Noon Sunday following the conclusion of the rushing period each prospective pledge shall have the opportunity to deposit in a box provided by the Interfraternity Council, and on blank forms provided for that purpose, his choices of fraternities with which he desires to be affiliated. He may indicate first, second and third choices. At 1:00 P. M. on that day statements of choice shall be examined by a committee consisting of the heads of the active chapters and a Chairman appointed by the Interfraternity Council, and the results shall be reported to each house for action.

Before 5:00 P. M. on that day the head of each active chapter shall report to the committee its acceptance of such men as may please it from the list of men

making that fraternity their first choice. Of those not accepted, the fraternity receiving the second choice may make selection. The same procedure shall be followed in case of a third choice.

A fraternity, having extended a bid, must pledge the man if he has voted first choice for that fraternity, but is not bound by the bid if the man votes for that fraternity second or third choice.

Section 8: In the event of infraction of this agreement, whether by an active chapter or its alumni, the offending fraternity shall be liable for such penalties as the Interfraternity Council shall determine.

It should be well noted that freshmen are equally as responsible for the upholding of these rules as the fraternities. The Interfraternity Council may penalize freshmen for infraction of these rules on their part.

ARTICLE VII

Fraternities must submit a list of their pledges to the College Treasurer's Office immediately following pledging in order to enable the men to receive reimbursement for board. Such reimbursement will be effective as of the first Monday after receipt of this list.

ALPHA CHI CHAPTER OF DELTA KAPPA EPSILON, 98 Vernon Street. The Delta Kappa Epsilon Fraternity, whose name is better known as D. K. E., was organized at Yale University, 1844. There are now fifty-two active chapters. The Alpha Chi Chapter was chartered in 1879 at Trinity College.

ALPHA CHI CHAPTER OF THETA XI, 79 Vernon Street. In 1846 the first chapter of Theta Xi was formed at R. P. I. in Troy, New York. At present there are fifty-one active chapters spanning 25 states. The Alpha Chi Chapter was organized in March, 1947, and became an active colony in 1948. In May, 1949, it was formally installed as the Alpha Chi Chapter of Theta Xi.

BETA BETA CHAPTER OF PSI UPSILON, 81 Vernon Street. The Psi Upsilon Fraternity was founded at Union College in 1833 — one of the oldest college fraternities in the country. The Beta Beta Chapter was founded here in 1880, being organized from the local society known as Beta Beta.

DELTA CHI CHAPTER OF SIGMA NU, 78 Vernon Street. Sigma Nu was founded at Virginia Military Institute in 1896, and now has 113 chapters. The Delta Chi Chapter was chartered here in 1918. The first members included the membership of a local fraternity known as Sigma Psi, formed in 1911.

EPSILON CHAPTER OF DELTA PSI, 340 Summit Street. The Epsilon Chapter was established at Trinity in 1850, three years after the Fraternity was founded. The birthplace of Delta Psi, or Saint Anthony Hall, is Columbia University. There are active chapters at M. I. T., Williams College, Trinity, Yale, Columbia, University of Pennsylvania, Virginia, North Carolina, and University of Mississippi. Delta Psi is the oldest of all the resident fraternities.

PHI KAPPA CHAPTER OF ALPHA DELTA PHI, 122 Vernon Street. The Alpha Delta Phi Fraternity was founded at Hamilton College in 1832, and now consists of twenty-six active chapters in this country and Canada. The Phi Kappa Society at Trinity was the parent organization out of which the Phi Kappa Chapter was founded here in 1877.

PHI PSI CHAPTER OF ALPHA CHI RHO, 114 Vernon Street. Alpha Chi Rho was founded in 1896 at Trinity College in Northam 11. At the present time this Phi Psi Chapter is one of the nineteen chapters located throughout the United States.

SIGMA CHAPTER OF DELTA PHI, 70 Vernon Street. Delta Phi, third in

order of establishment of American college fraternities, was founded in 1827 at Union College. There are now sixteen chapters. A charter was granted to the Sigma Chapter in 1917, and the fraternity merged with the old local I. K. A. Society which was formed here in 1829. I. K. A. was the oldest local fraternity in the country.

PI KAPPA ALPHA, 94 Vernon Street, is the ninth and most recent national fraternity on the Trinity Campus. Tau Alpha, a local organization was initiated into Pi Kappa Alpha in May of 1953. The Epsilon Alpha chapter of II K A is the youngest of one hundred and three active chapters in the United States. Pi Kappa Alpha was founded at the University of Virginia in 1868.

The KAPPA PSI Fraternity was founded on this campus last year. The House was organized by a local group of Phi Kappa Psi alumni who were interested in founding a chapter of their fraternity on the Trinity campus. Students in Kappa Psi have high hopes of attaining national affiliation this year. The fraternity occupies the house at 118 Vernon Street.

SOCIAL CLUBS

BROWNELL CLUB, founded at Trinity early in 1949, is a social organization whose object it is to provide athletic and social activities for on-campus and off-campus non-fraternity students.

By 1949-50, the club, having gained Senate representation as well as placing high in intramural activities, had firmly established itself in campus activities. The club's quarters are located on the first floor of the Campus Cottage.

ATHLETIC ACTIVITIES

Athletic activities at Trinity College are divided into three classifications: Intercollegiate athletics, intramural athletics, and required physical education. All three divisions are under the supervision of the Physical Education Department.

Intercollegiate Athletics: Schedules are arranged for varsity and freshman teams in the following sports: Football and soccer in the fall; basketball, swimming, and squash racquets in the winter; and baseball, track, golf and tennis in the spring. In addition, an informal intercollegiate schedule is arranged in dinghy racing, lacrosse and fencing. The governing body for intercollegiate athletics is the athletic advisory council composed of three undergraduates elected by the students, three alumni, and three members of the faculty.

All students become members of the Trinity College Athletic Association when they pay their regular tuition at the College office. This entitles them to admission to all home athletic contests and permits them to try out for all athletic teams, provided they are academically eligible.

All students who are successfully carrying a full academic schedule are eligible to participate on intercollegiate varsity or freshman teams representing the College. Trinity maintains a full-year freshman rule, and a three-year varsity rule in keeping with the practice in vogue in most of the colleges in our group. Trinity is a member of the National Collegiate Athletic Association and the Eastern College Athletic Conference.

A system of student managerships for the various varsity and freshman teams makes it possible for students to gain valuable organizing and business experience. Application for managerships should be made to the Director of Physical Education or to the coach of the Sport involved.

Intramural Athletics: The aim of the intramural program is to provide athletic

competition for as large a group as possible and is particularly for students not participating on freshman or varsity teams. The sports on the intramural program are basketball, swimming, touch football, volleyball, wrestling, table tennis, golf, squash racquets, track, tennis, and softball. A point system of scoring has been devised to determine the winner in all intramural competitions for the year and the Alumni Trophy is awarded to the team earning the greatest number of points.

Physical Education: This is a required course for all freshmen and sophomores, reporting three times per week throughout the college year. Transfers in the freshman and sophomore year will meet this two-year requirement. Transfers in the junior year will be required to take one year of physical education at Trinity. A prescribed physical education uniform is required.

The physical education program at Trinity is designed to secure and maintain a condition of good health and physical fitness to develop recreational skill which can be enjoyed while in college and in leisure time after college, to establish habits of regular participation, and to develop favorable attitudes toward wholesome play.

Each school year is divided into four physical education terms of approximately seven weeks in duration. To meet the graduation requirements, a student must pass to the satisfaction of the department eight of the courses listed below, of which gymnastics and a swimming course must be included:

OUTDOOR ACTIVITIES

Touch Football
Soccer
Softball
Tennis (beginners)
Tennis (advanced)
Golf (beginners)
Golf (advanced)

INDOOR ACTIVITIES

Basketball
Volleyball (beginners)
Volleyball (advanced)
Swimming (beginners)
Swimming
Squash (beginners)
Squash (advanced)
Gymnastics

Members of winter intercollegiate teams (basketball, swimming, squash, and fencing), during both the freshman and sophomore years, are excused from gymnastics and swimming, providing they can pass the minimum swimming test. Students showing Life Saving cards will be excused from all swimming requirements. Those students unable to pass the minimum swimming test (50 yards free style and 25 yards on the back) will be placed in a beginners' swimming class held during the first and fourth physical educational terms, until this requirement is fulfilled.

One credit for physical education attendance is given to members of varsity and freshman intercollegiate teams for each physical education term the sport is in season. Only freshman and sophomore year participation in athletics may be credited toward the physical education requirement. Any student dropping or cut from a varsity sport before his physical education requirement is completed must be immediately scheduled into a physical education class. In each term only three unexcused absences will be allowed. Anyone overcutting will be placed on warning. Overcutting a second successive term or a third term will result in suspension from college. These terms must be taken consecutively.

The Sportsman's Code

Sport is winning, if win you can
And keep to the Sportsman's Code.
Sport is beating the other man,
But giving him half the road;
Being content with an even break;
Scorning the trickster's art.
Sport is the game for the game's own sake,
And the love of a fighting heart.
